

girl scouts of san gorgonio

We are pleased to offer this 1:1 booth sale opportunity to our Senior and Ambassador Girl Scouts only. Being an older Girl Scout is truly a milestone in a girl's life. It takes tenacity and true belief in one's self to stay in Girl Scouting. When it comes to the cookie season we know that busy lives, SAT and college prep take up much of an older Girl Scout's time. Her time is limited. With this in mind we have authorized 1:1 ratio cookie booths for our Senior and Ambassador Girl Scouts to help them reach their full potential and fund their programmatic experiences.

Please help me congratulate our girls for having the wherewithal to understand the importance of Girl Scouting and recognize the impact each and every one brings to their community. Today's Girl Scouts are tomorrows leaders.
