

# Girl Scout out to future businesswoman

Help your girl go for it by supporting her during the cookie sale.

Dear Parent|Guardian:

When you tell your girl she can do anything, you know you speak the truth. That kind of support is important to your girl when she's taking part in the Girl Scout Cookie Program. Because **she's part of the world's largest GIRL-LED business**, she's learning how to set goals, make smart decisions, manage money, work with people, and conduct business ethically. With you by her side, she can do amazing things. So please complete the form below and return it to your Girl Scout's volunteer leader. With your help, you'll see her entrepreneurial spirit rise!
