

How to host a

cookies & Milk Break

The Milk and Cookies Break is an alternative way to assist girls in meeting their goals for the cookie program. This is a special promotion that has been designed by the Girl Scouts of San Gorgonio Council to increase opportunities for cookie booth locations, as well as enhance Girl Scout visibility in the business community. As an employer, you can sponsor a Cookies & Milk Break as a way to say, "thank you," to your employees and support your local Girl Scouts. The cookies served to your employees are purchased from, and served by, local Girl Scouts. The girls will also have a cookie booth set up with additional cookies for purchase.

Here's how it works:

1. Complete the form below with the number of cookies you would like, date and time of "break," and contact your Troop Representative: _____
Phone: _____ Troop #: _____
2. The Girl Scout troop who approached you with this offer will be the ones who come to serve your employees.
3. Promote the "break" internally (you can download a flier to display at <http://bit.ly/gssgcookies>) - this will be a great way for you to promote the time the girls will be in your business with their cookie booth and to thank your employees.
4. On the day of the break, please provide a table for the girls to set up their booth. The troop/ group will bring their own materials for the booth and serving supplies for the break to serve your employees.
NOTE: milk/beverages will not be provided.
5. Payment for your break will be made directly to the troop who provides your break - they accept company check or credit card payment.

If you have any questions please contact your representative above.

We are interested in hosting a Cookies & Milk Break for our employees.

Name of Company _____

Location _____
